Infrastructure contribution

Self-catering is not permitted. This does not apply to members of the Alpine Association or persons treated as such within the areas provided for self-catering. Daily visitors have to pay 2,50 € and guests staying overnight have to pay 5,00 € / night if they use the hut's infrastructure for the purpose of self-catering. Children and persons under 18 years are exempt from these contributions. In general, guests are not allowed to consume alcoholic beverages that they carry with them.

During the summer season we don`t have an area for self-catering, if you want to consume your own lunch please inform our team! If you don`t consume anything during your stay we can charge you with the infrastructure contribution.

Hut luggage insurance

The accommodation fee includes the DAV luggage insurance. In case that contrary to expectations any luggage should be damaged or stolen while staying at the hut, the resulting damage can be claimed with the insurance company. To make a claim you will need the accommodation receipt which you have to present as proof.

If you are a guest in an alpine association hut, please comply with the following basic rules to ensure a pleasant stay:

- Avoid producing waste and take any rubbish you produced with you when you leave for the valley.
- Regarding prices for food and drinks, please consider the additional effort that is necessary to cater for any needs in the mountains.
- Save water and energy.
- Don’t smoke in the hut; use an ash tray when smoking outdoors.
- **Using a sleeping bag is obligatory when staying in any of our accommodations.**
- The luggage insurance only applies if you can present a receipt that proves your accommodation.
- Please read and respect the postings of the hut and rates regulations.
