Servus - Namaste dear guests

we come from the east of Nepal, a small country with the very high Himalayan mountains, the roof of the world. Nepal is also the birthplace of Buddha.

I, Ang Kami Lama, was born on 18 January 1985 in Deurali, a 2705 m high village in eastern Nepal. When I was 4 years old, I started attending elementary school in my place of residence. In order to be able to attend secondary school, I later had to walk a three-hour walk every day, since there was no higher school in my village. Unfortunately, I had to leave high school at the age of 16 because my family urgently needed financial support.

As a Sherpa born in the Himalayas, I worked as a carrier for tourists, hikers and mountaineers at all altitudes. So I gained many years of experience in tourism and started training as a mountain hiking guide at the Nepal Tourism and Management Board, which I graduated with a certificate in 2007. At the Nepal mountaineering Association I worked parallel to the mountain guide training as a companion of many mountain fexes from numerous countries in the ascent of 6000s in my country.

My training and work in alpine tourism gave me the opportunity to come to Austria. Here I first worked on several alpine pastures and shelters in the beautiful Alps of Austria. So I got to know many tasks; I liked the work best in mountain huts of the Alpine Club. My wife Lhemi also worked in mountain huts. So we were particularly pleased when we got the opportunity to run a mountain hut independently: Three years we managed the Sudeten German hut, 2,650 m in the grenade tip group, Matrei in East Tyrol, as a hut host couple.

We are very happy to share the experiences we have had in recent years with you today. With joy and great dedication we have gone our way so far and are grateful to all those who have accompanied and supported us.

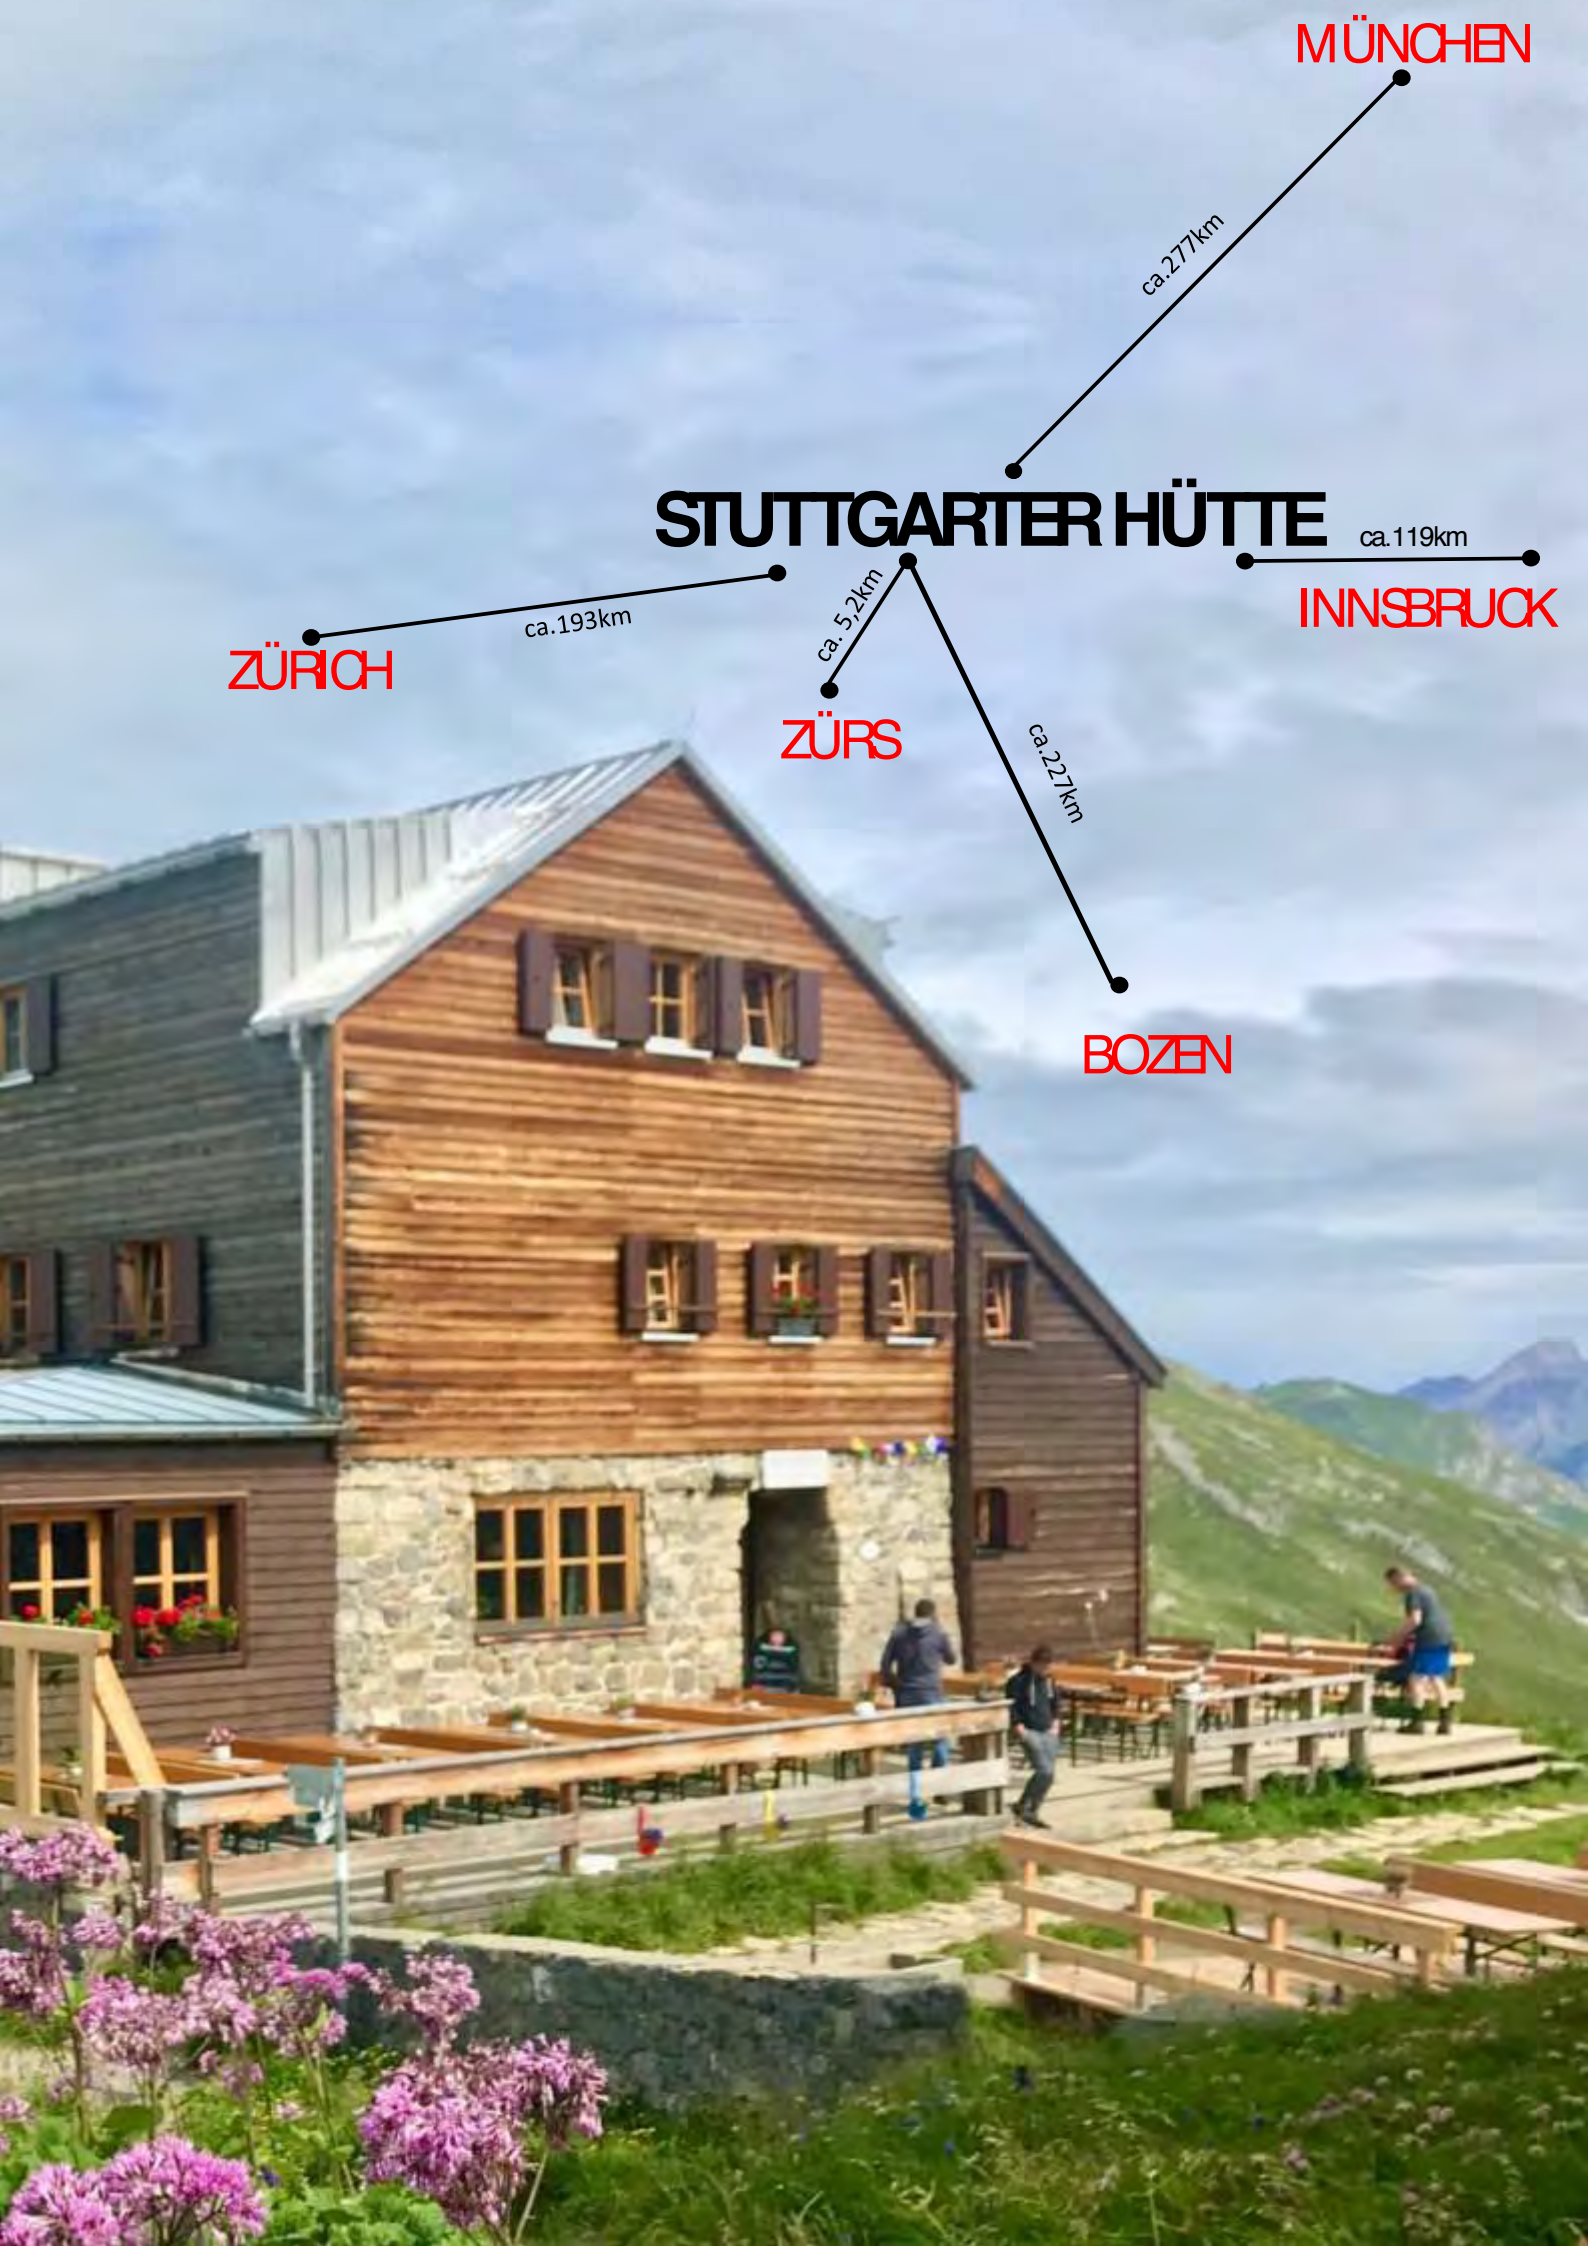

We have experienced that travel is the best way to discover the world. If you are interested in Nepal, do not hesitate to contact us. We are happy to provide you with our good connections to tourist facilities in Nepal.

But we are also very happy about the time spent together with you here in the mountains and wish you an eventful one, pleasant and relaxing stay in our mountain hut.

Thank you very much! Ang Kami Lama
