Double room The hut currently only offers one double room. However, this is reserved for mountain rescuers, mountain guides, sick persons, the hut warden or labourers. It is therefore not possible to book this room via the booking portal.
If the room is still available, a surcharge of €10 per person per night will be charged for AV members and €25 per person per night for non-AV members.

You are welcome to enter a request in the comments section when making your reservation. These requests will be checked 1-2 days before your arrival when allocating your room. We will endeavor to fulfil them as far as possible, but ask for your understanding if not all requests can be met.

Sick and injured people for whom descent or transport to the valley is no longer possible and rescue teams on duty are entitled to priority over all hut guests.

If your preferred date is fully booked, you can be placed on the waiting list - the procedure is the same as for a normal booking. You will be notified by phone or e-mail when a place becomes available.

Infrastructure fee/hut use with self-catering for people aged 18 and over:
for day guests € 2.50, for overnight guests € 5 (plates, cutlery, napkin on request)
Cooking is not permitted in the hut and outbuildings for fire safety reasons.

Members of the mountain rescue services on duty, people accompanying people with disabilities according to their disability card, tour guides, instructors, specialist trainers, youth guides, youth leaders and family group leaders of the ÖAV, DAV and AVS are admitted free of charge if they can identify themselves as such and are travelling in their function with a group of at least five people (5 plus 1).

Waste disposal: the hut and its surroundings must be kept clean, and all guests must take their own waste down to the valley for proper disposal in order to protect the mountain environment.

Rates for youth groups and event organizers: please contact us to arrange individual prices.

Backpack transport: € 6.50 per piece of luggage. This is subject to prior arrangement by telephone and appointment. One transport per hour is possible, limited to 230 kg. We accept no liability for self-loading.

Hut sleeping bags are compulsory: hut sleeping bag hire (cleaning fee): €5 (deposit €20), purchase €30.

Dogs are allowed in our hut for a fee of 10,00 €/night. Prerequisites are a personal prior agreement and a binding booking. Out of consideration for other hut guests, your dog is not allowed to stay in the parlour during the evening and breakfast meals and during the buffet - we ask for your understanding.

Showers: 1 € = 1 minute (time interruption is possible with hot water)

Payment: Alpine Club card must be shown without being asked in order to receive the AV rates. The consumption is booked on a card. For organizational reasons, please always settle your card in the evening before you go to bed. Overnight guests can also pay by credit card from Euro 20. For this we need our own radio network connection, which unfortunately is not always sufficiently stable at an altitude of 2,300 meters and therefore credit card billing cannot be guaranteed. For this reason, we mainly recommend CASH PAYMENT!!!
